

Information for day and evening guests

IGLOO-VILLAGE STOCKHORN

Please read this document carefully in order to be properly prepared for the Igloo-Village experience.

The igloo-village is situated on the Stockhorn – away from the hustle and bustle of everyday life, surrounded by a breathtaking and tranquil winter landscape and in the middle of the Stockhorn region at around 1,592 metres altitude. Enjoy a stunning view on the surrounding area, while having an apero, a hot mulled tea or a delicious cheese-fondue at the igloo-village. Events, like building an igloo, creating snow-sculptures and our arctic-winter-games, can be booked additionally.

During your journey

The igloo-village Stockhorn is located on half-way of the Stockhorn gondola lift, just next to the lake Hinterstocken. Please consider that the cable car ride takes about 10 minutes and the walk to the Igloo-village another 5 minutes.

For activities with a fixed starting time, any claim to forfeited services and refund shall lapse if arrival is more than 30 minutes late. This also applies to bookings with adventure vouchers.

If you are late, please let us know immediately on +41 41 612 27 28. Please have the mobile-phone you specified on reservation with you so that we can contact you if needed (especially during your outward journey).

Ascent & mountain railway tickets

The Erlenbach railway station is easy to get to by train. From the railway station, the valley station of the Stockhornbahn gondola lift is only a 10-minute walk away. Follow the white signs with the Stockhorn logo.

If you travel by car from Bern, drive through Erlenbach until you get to the village exit. There is a large car park by the valley station (charges apply).

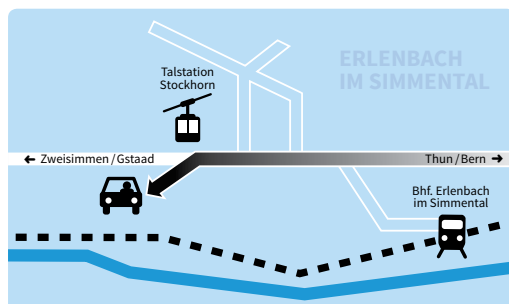

Please notice, Stockhorn is a non-skiing destination.

Parking charges are not included in any package. Mountain railway tickets are just included in the «fondue in the evening» packages.
