

# IMPORTANT INFORMATION FOR STAYING AT THE IGLU-DORF

Iglu-Dorf sits in a remote mountain setting.

Good health condition is a prerequisite.

Transport & rescues in case of injuries/accidents may take time depending on the weather. The guest is charged for rescue costs.

Children aged 6 and over are warmly welcome.

Medication **cannot** be distributed. The guest is personally responsible.

Bring equipment according to the packing list.

The time and place of the meeting are **fixed**.

Adapt local activities to your own abilities.

AED & first aid kit are available.

Adequately insured: cancellation costs, travel cancellation, rescue, and foreign insurance if applicable.

Overnight stays above 2,000 m a.s.l. can be stressful in case of heart, circulatory, or respiratory problems & cause **mild symptoms**: headache, fatigue, etc.

Prioritize health risks and assess them realistically before arrival.

Iglu guides provide tips and advice. **Please follow them.**

Leaving the igloo area without a guide is **not permitted**.

We provide an **expedition sleeping bag**.
